Music Camp 2015
Terms and Conditions of Enrolment

Deadline June 1, 2015

- Ensure a completed medical form (one form per camper) is submitted with the application. This form is for the health and safety of your child while at camp. All medical information will be kept strictly confidential, safely stored, and destroyed at the end of the camping season.
- Application and payment must be returned to your local Salvation Army Unit. Salvation Army personnel must endorse all applications in order to be processed.
- Electronic devices are permitted at camp BUT NOT during sessions.
- We recommend that visitors refrain from visiting the campgrounds, as this disrupts the routine of camp and the children. Only emergency contacts are allowed to pick up or drop off child before camp is finished; identification needs to be presented to the Camp Director.
- The health and safety of every child is very important; therefore, trained staff closely supervises every activity. A lifeguard is on duty at the pond for swimming/canoeing and a nurse is equipped and operates out of a fully functional first aid station.
- The Salvation Army is not responsible for damage or loss of personal property.
- All video and photographs taken by The Salvation Army are the property of The Salvation Army and may be used for promotional purposes only. No personal information will be used for promotional purposes and no records will be kept after the camping season.
- The Salvation Army camps reserve the right to dismiss a camper for inappropriate behavior. The safety and security of our campers is always of highest priority.
- Inappropriate or revealing clothing are not acceptable on campgrounds.

Parent/Guardian Consent:

As the parent/guardian of the camper I have read the above. I understand and accept the Terms and Conditions of Enrolment. I hereby consent to my child attending The Salvation Army camp. I also give permission for him/her to participate in all camp activities and accept The Salvation Army to take and use photos for promotional purposes. I have disclosed to The Salvation Army all relevant medical and physical information with respect to my child.
